

3 PUTT LIFE SOCIETY

Being A Member

In 3PuttLife Golf Society we expect all our members to interact with the society and with each other. Basically once a member, participate in golf events where they can and in being part of the group.

Instagram

Our members make **3 Putt Life Society**, so we want all members to follow each other on IG, to start interacting, sharing and spreading the word about our great society. (Our membership team will send you a list of links to all our IG member profiles, which will help you in following them all).

Also please mention @3puttlifesociety in your IG bio.

Your 3PL IG Profile

We'll need to announce your arrival by posting your profile on the IG **@3puttlifesociety** account.

If you don't complete ALL the **Join Us** form fields on the website as part of your application to join then our membership team will contact you about any required information so that they can create your profile. Oh, and we will need a selfie as well, which you can email to us as part of the joining discussion through email.

Slack

The society runs a Slack group for general interaction and communication, for society announcements, exchanging ideas and for social banter. To join this group we will send an invite to your email address

Home Location

Completion of your Country Of Residence and Town Of Residence fields are mandatory as part of the Join Us form, this enables the society to place you on our worldwide members map. See Find A Member below.

Our Website

You will need to register with us on our website to gain access to:

- **Member Events** – where you can register to play in any one the 3PL organised events
- **Find A Member** – where you can browse our worldwide members map and locate 3PL members near to you
- **Merchandise** – we have a 3PL branded Polo Shirt which we would really like all our members to have as it's our identity. It isn't a mandatory requirement but if you want to represent 3PL in a match or key event then we see it as a must.
- **Sponsors** – here you can find our list of sponsors and where appropriate any discount codes you can benefit from
